BREAKTHROUGH HEALING WORKSHOP WITH PATRICK AND JOY CAMPBELL

July 20th-23rd 2022 | 5:00pm-8:00pm

Free Event at Saint Therese of the Child Jesus Catholic Church, Leeds AL

This retreat has been viewed, presented to his parish and approved by the Chief Exorcist of the Diocese of Charleston as being "edifying" for the Church. The retreat is like a 'field expert' guide on how to be victorious in your spiritual battles by knowing where your enemy hides in several doors that you may unknowingly opened not just because of one's sins but also the unexplained temptations that may be brought about through sin patterns in the family. The retreat is a stirring presentation that had been successful, in bringing those out of the Church for many years - to come home. The retreat is an eye-opener, igniting a fire in the hearts of those that attended this workshop. It is ideal for those who had lost their faith in the Church, lukewarm, discouraged and heavily burdened with many forms of evil in their lives. Most of all, this retreat will change your life and move you to be a superhero for your family, parish and communities. It will teach you why some of the things you are doing are not having any effect. You will witness a miracle first in yourself and then it will ripple to those around you.

Outline of the Workshop

- Unblocking the obstacles that keep us from receiving life changing graces for healing, restoration of family, and our true identity as children of God through the sacraments of the church.
- Testimony of Joy's miraculous healing. There may be a block in our connection to God.
- Understanding the key players in the game of life, God, the Devil and self. Healing from the inside out. The Ten Protections vs Commandments
- Jesus wants our healing more than we want to be healed. What are these blocks? Major access points that are keeping us from receiving God's grace. Prayer for taking down strongholds.
- Forgiveness - understanding that forgiveness is a sacrifice not a process. Who are all people who have hurt you? Who you have hurt, and who has offended you?
- Fear - childhood trauma, lies of the enemy, understanding the voices in your head.
- Unhealthy Ties - understanding that when two or more people in agreement break one or more of God's commandments, this may create a unhealthy tie through which the enemy may access us.
- The Occult - understanding that breaking the first commandment is the greatest block to God's sovereignty.
- Generational Blessing vs. Generational Sin Patterns - understanding that access points opened from past generations may have resulted in a consequence, or weakness to sin in a pattern that is obvious.
- Prayers for Healing
