Collection for National Black and Indian Missions | February 4th / 5th

The Black and Indian Mission Collection has for the last 138 years, changed the landscape of evangelization and education efforts for Native Americans, Alaskan Americans and African Americans throughout the United States. Our financial support of the Collection is the mechanism that affects the Church's evangelization efforts.

In our diocese, this fund provides monetary support to seven parishes, five schools, and four diocesan ministries each year from the national mission collection. Your monetary assistance provides opportunities for a solid Catholic education in our Indian and Black Catholic mission schools, allows the purchase of catechetical materials and bibles, and provides for the formation of lay leadership, to name just a few ways the collection supports evangelization.
