Quote of the Week: Jesus speaking to St. Faustina...

"The graces of My mercy are drawn by means of one vessel only, and that is—trust. The more a soul trusts, the more it will receive. Souls that trust boundlessly are a great comfort to Me, because I pour all the treasure of My graces into them. I rejoice that they ask for much, because it is My desire to give much, very much. On the other hand, I am sad when souls ask for little, when they narrow their hearts."

From the Diary of St. Faustina, no. 1578
